TRIAL PROCEDURES

This information will be updated as necessary.

- 1) YOU MAY SET-UP in your car or in a shade tent.
- 2) COURSE MAPS will be emailed 2 hours prior to the start of the trial each day. They will also be posted outside the building so you can take a photo with your phone.
- 3) GENERAL BRIEFING will be emailed prior to the trial.
- 4) JUDGE'S BRIEFINGS: The judge will be available to answer questions during each walk through.
- 5) WALK-THROUGHS may be divided into groups. They will be 5 minutes each with 5 minutes after the walk through for the first dog to be ready on the line.
- 6) GATE STEWARD & CHECK IN: Please check in at the gate. It is the handler's responsibility to be on time and ready for your run.
- 7) LEASH RUNNER will pick up your dog's leash and leave it at the exit gate. Alternately, competitors may place the dog's leash in their pockets when running the course. The leash must be small enough to fit completely inside the pocket. Note: if the dog grabs the leash while running or jumps at the handler's pocket to attempt to interact with the leash, this will be scored as an "E" (toy in the ring). If the leash falls out of the pocket during the run and the dog does not interact with it, there will be no fault. Ensure your dog is on leash/under control before you leave the ring.
- 8) TIMER & SCRIBE: Chairs will be provided although you are welcome to bring your own chair.
- 9) RING CREW: Chairs will be provided although you are welcome to bring your own chair.
- 10) ENTRANCE & EXIT GATES: Please use the appropriate entrance and exit swing gates.
- 11) TRAINING BUILDING: The building is closed to competitors. Only the Judge, Host, Trial Secretary, Scorekeeper(s) and Big Sky personnel have access. If you need to speak to any of these individuals, please see them outside at a time convenient to all parties. Indoor crating is not available (above mentioned authorized persons excepted).
- 12) RESULTS will be posted in the area of the posted course maps. Please take a photo and move on if others are waiting.
- 13) RIBBONS and ROSETTES will be provided upon request. Please let us know, via a sign-up sheet at registration, and we will be happy to make them available for you.
- 14) DOG MEASURING: Temporary Dog ID Cards are issued to dogs under two years old. Dogs under two years old only need one measurement until they turn two. Dogs over two years old must be measured until they have the final height circled on their original (not temporary) Dog ID Card.
